

## How to Obtain your International Driving Record

*\*Please note, the following information is intended to assist you in obtaining your driving record and is by no means a definitive list of all available resources in your home country. All members must provide a valid driving history which will be assessed by our insurance company for eligibility of membership.*

*\*All documents sent to us must be dated within the last 30 days.*

*\*We will require a record that references any traffic infractions or points on your record. If you have nothing on record, the document will need to state as such. If you have infraction, the record will need to include the date and reason(s) for the infractions.*
